

# Christchurch's Own **TWEED RIDE**

With the chill in the air, it's time to don your [cycling chic tweeds](#) and come for an autumnal jaunt through some of Christchurch's most beautiful streets and parks.

Hear the crunch of **fallen leaves** under your tyres!

Feel the cool breeze on your face!

**Wave to the jealous motorists!**

Be your most glamorous as you deal the wheel!

Its frocking marvellous to be alive when you're on 2 wheels and loving it!

**When:** Sunday 2<sup>nd</sup> May, 2pm.

**From Where:** EITHER: outside the University library, University Drive, Ilam. Ask google for directions (or even a real person, on campus);  
OR Riccarton House, at about 2.20pm.

**To Where:** the Boatshed Café for refreshments

**What to Wear:** Tweed coats or jackets, kilts, gym frocks or twinsets, woolly tights or plus fours, pearls and cameos, tartan scarves and kid gloves.  
Go crazy!

**How Long:** Depending on photo opportunities and general faffing around, it will probably take us about an hour to get to town. The ride is about 6km.

**Frocks on Bikes** loves biking for all its reasons –  
biking as a means to an end, and biking as an end in itself.
